Battle of the Bands — Rock Edition

PRINT & PLAY — ASSEMBLY INSTRUCTIONS

■ Print pages 2–7 at ACTUAL SIZE — 100%, never "Fit to Page"

In your print dialog choose "Actual Size" or set scale to 100%. Test page 2 on plain paper first.
Crop marks on each sheet help you verify alignment before peeling.

WHAT YOU NEED

- Avery 8395 Flexible Adhesive Name Badges (1 pack / 160 labels)
avery.com/products/name-badges/8395
- Inkjet or laser printer
- Standard deck of playing cards (52 cards + 3 extras from a second deck)

HOW TO PRINT & APPLY

1. Load Avery 8395 sheets. Select LANDSCAPE orientation.
2. Set print scale to ACTUAL SIZE / 100% — not "Fit to Page".
3. Print pages 2–7 onto the label sheets (one Avery sheet per page).
4. Peel each label and centre it on a playing card face.
The label (2-1/3" x 3-3/8") sits inside the card (2.5" x 3.5") with a small border.
5. Page 8: print the card-back on plain paper, cut and glue (optional).
